

**Circuit Discovery Majunga :**

**Antananarivo - Ankarafantsika - Majunga - Anjohibe - Antananarivo  
(12 days /11 nights)**

**The highlights:**

- Ecotourism; Ecolodge;
- Fine sand beach;
- Anjohibe Caves: the most important speleological site of Madagascar;
- Mahajamba Bay: waterfall, natural swimming pool;
- Visit to the Mangroves by canoe local.

**D01 : ANTANANARIVO - ANKARAFANTSIK (445km)**

Road for Majunga, the National Highway RN4. Diverse landscape, passing through the Tampoketsa, wide undulating savannahs, typical villages, and ending at Ankarafantsika. Ankarafantsika is a magical park with deciduous dry forest.

**D02 : ANKARAFANTSIKA - MAJUNGA (115km)**

A 4-hour tour will give you a glimpse of the Park. A Coquereli circuit permits you to see the lemurs Sifaka, and an extension to the Baobab Circuit enable you to see the last existing endemic baobabs of type *Andasonia madagascariensis*, of the variety *Boinensis*. Continuation to Majunga.
